Congregation B'nai Israel Sisterhood presents **Joy Katzen-Guthrie** in a beautiful concert of spiritually uplifting music and stories by and about women, **Wednesday, October 27th**. A cantorial soloist for Florida synagogues and a concert artist for 23 years, Joy stunningly brings to life traditional and original songs that celebrate the human spirit. Her music, interwoven uniquely with history and storytelling, will examine the lives of women of Torah, feminine imagery in scripture, and music by and about women, focusing on our unique personal spiritual and life experiences.

"Joy is a marvel on the keyboard, making her playing seem effortless. Her compositions, as well as the adaptations of others' songs, reflect the summation that it is her life. When she sits down at the keyboard, starts playing, smiles that warm smile of hers and sings to your heart, well it's just inspirational! She has a love and enthusiasm of Judaism and you felt it immediately. Her stories of life and love are fulfilling to all who listen." - *Donna Klein, President, Women Musicians Alliance*

"Blessed with a powerfully serene voice, Katzen-Guthrie's presentation of these ancient prayers possesses a simple and beautiful magnificence. - *Bill Templeton, Jam Entertainment Magazine*

"Joy's wonderful music and radiating personality are both playing an important part in increasing peace and harmony in the world"- *Rabbi Dr. Avraham Abrahami, London, England*
