

UNENDING LOVE

Music & Lyric by Joy Katzen-Guthrie · ©2004 by Joy Katzen-Guthrie · All Rights Reserved

Unending love,
Embraced by loving arms
Unending love,
Warmed by loving thoughts

Unending love,
Cherished by loving hearts
Unending love,
Soothed by loving hands

In every need, in every fear
In every grief, in every hour,
Constant strength, constant faith,
Constant companion, constant friend.

Unending love,
Beheld by loving eyes
Unending love,
Healed by loving prayer

Unending love,
Lifted by loving minds
Unending love,
Blessed by loving touch.

Never alone, never apart,
Never lost, never without hope
Always at peace, always aware,
Always protected, always loved.

In every need [Never alone] in every fear [never apart]
In every grief [Never lost], in every hour [never without hope],
Constant strength [Always at peace], constant faith [always aware],
Constant companion [Always protected], constant friend [always loved].

Unending love,
Embraced by loving arms
Unending love,
Warmed by loving thoughts

Unending love,
Cherished by loving hearts
Unending love,
Blessed by loving touch.
Unending love,
Blessed by loving touch.
